MEMORANDUM FOR: Director, Intelligence Community Staff

VIA: Deputy Director, Intelligence Community Staff

FROM: [REDACTED]
Director, Planning and Policy Staff

SUBJECT: NWMP Executive Review Board Meeting, 7 June 1984

REFERENCE: Memorandum from NWMP Executive Secretary to NWMP ERB
Members dated 1 June 1984.

1. Dr. James P. Wade, Principal Deputy Under Secretary of Defense for Research and Engineering, has scheduled a meeting of the NWMP Executive Review Board for 1100-1230 hours on Thursday, 7 June 1984. The meeting is a continuation of that held on 10 May; the agenda is at Tab A. [REDACTED]

2. As you may recall from the report by [REDACTED] who represented you at the 10 May meeting, the discussion between the chairmen of the Forces and Policy Working Groups was quite acrimonious. The Forces Working Group representative, from JCS, objected to the Policy Working Group's addressing of the potential contribution of NSNF and stressed the burden placed on the JCS analytical capacity due to a multiplicity of tasks. The chairmen of both working groups were directed to rewrite their proposed work plans and to present the revisions at the 7 June meeting. The minutes of the 10 May meeting are at Tab B; the revised proposals by the Policy and Forces Working Groups are at Tab C. [REDACTED]

3. The Executive Secretary asks that we advise him of the name of our representative. Attendance is limited to principals or alternates only. Please advise us if you plan to attend, or wish to designate an alternate, and we will inform the Executive Secretary's office. [REDACTED]
